The Chief Principal
Bungoma National Polytechnic
P.O. Box 2369–50200
Bungoma

Dear Sir,

**REF: APPLICATION FOR ASSESSMENT TOOL DEVELOPMENT AND VALIDATION – ICT
TECHNICIAN LEVELS 4–6**

I am writing to apply to participate in the March/April 2026 Assessment Tool Development and Validation exercise for the ICT Technician course under the Department of Computing and Informatics.

I wish to develop assessment tools for ICT Technician Levels 4, 5, and 6, specifically for Computer Network Setup and Computer Repair and Maintenance.

I have over four years of ICT training and practical experience in a TVET environment and I am familiar with course curriculum and occupational standards interpretation, unit learning outcomes, and performance criteria. I am capable of developing course-aligned practical assessment tools, including observation checklists and assessors' guides, and I am prepared to participate fully in the development and validation process.

I have attached my curriculum vitae and relevant testimonials for your consideration.

Yours faithfully,

Harrison Wekesa Wanjala
harrisonwekesa09@gmail.com

Harrison Wekesa Wanjala

2162, Kitale

harrisonwekesa09@gmail.com | +254741947264

Experienced ICT professional from Kenya with expertise in networking, computer repair, programming (Arduino, Python, C++), and IoT. Specialized in MikroTik internet solutions, school digital systems development, ICT course content creation, entrepreneurship research. Founder of Bamboo Technologies focusing on technology, business, and education integration.

Professional Experience

Kitale National Polytechnic 01/2022 - 05/2025 ICT Technician

- Prepare and maintain ICT labs, ensuring functionality of computers, projectors, and networking equipment for lessons
- Install and configure teaching software for practical sessions
- Troubleshoot technical issues to minimize disruptions during lessons
- Support trainers in networking, programming, IoT, and other ICT topics
- Set up and manage lab networks, virtual environments, and IoT kits
- Configure and secure practical assessment environments
- Maintain and update digital learning materials and software tools for class
- Assist in creating multimedia content for teaching
- Manage e-learning portals for student access to resources
- Guide responsible use of lab equipment and ICT resources for students
- Provide basic troubleshooting for student devices
- Support students with learning platform accounts and assessments
- Introduce new software and emerging technologies in class
- Incorporate cybersecurity practices into student projects
- Promote safe and ethical ICT use in class activities
- Manage digital systems for assessments
- Ensure secure exam environments and prevent unauthorized access
- Provide technical assistance during e-assessments and online submissions

Kitale National Polytechnic 06/2022 - present ICT Trainer

- Deliver theory and practical lessons in networking, programming, IoT, and related ICT topics
- Develop TVET-curricula-aligned lesson plans emphasizing industry standards
- Integrate emerging technologies and industry practices into training
- Guide students in hands-on network setup, coding, and IoT projects
- Demonstrate software installation, configuration, and troubleshooting
- Supervise lab sessions for ICT equipment safety and proper use
- Create teaching materials, lab manuals, and multimedia resources
- Update digital learning platforms with notes, assignments, and tutorials
- Integrate e-learning tools and simulations for interactive learning
- Provide academic guidance and technical assistance to students
- Mentor students on ICT career opportunities and industry trends
- Encourage innovation and teamwork in problem-solving projects
- Administer written and practical assessments, ensuring compliance
- Evaluate student performance, provide feedback, and record results
- Incorporate new tools, programming frameworks, and IoT solutions

- Support students in digital research, project development, and presentations
- Promote safe, ethical, and professional ICT use in training

Education

P.A.G Maina Primary School	01/2010	-
KCPE - 395	12/2013	
• 395 Marks		
Friends School Kamusinga	01/2014	-
KCSE - B	12/2017	
• KCSE B		
Kabarak University	05/2018	-
BSc. Information Technology - Second class upper division	12/2022	
• Second class upper division		
Kabarak University	01/2023	-
MSc. Information Technology - Ongoing	present	
• Completed first year studies.		

Projects

	01/2025	-
	05/2025	
Automated MikroTik Hotspot Voucher System	5	
• Configured MikroTik RouterBOARD to integrate with M-Pesa for automated voucher generation and internet access control.		
School Digital Workflow Automation	06/2025 - 06/2025	
• Designed a Google Forms + Google Sheets system for managing over 5,000 students, 50+ courses, and multiple assessments in a TVET institution.		
Entrepreneurship & Innovation Research Paper	05/2025 - present	
• Drafted and refined content for Harnessing TVET Innovation Hubs for Economic Inclusion of Youth and Women.		

Key Skills

- Networking (LAN/WAN/Wi-Fi configuration)
- MikroTik RouterOS setup & hotspot management
- Programming (Python, C++, Arduino IDE)
- IoT development & integration
- ICT lab setup, maintenance, troubleshooting
- Google Workspace & Microsoft 365 administration
- Digital workflow automation (Google Forms + Sheets)
- E-learning platforms, online assessment tools
- Data backup, recovery, cybersecurity

- Software installation, configuration, support
 - Lesson planning, competency-based training
 - Practical assessment preparation, supervision
 - Research, innovation project support
 - ICT asset management, inventory control
 - Content creation for tech education
-

Interests

- Emerging technologies in ICT and IoT
 - Networking and internet optimization
 - Programming and software development
 - ICT in education and skills
 - Digital transformation in TVET
 - Cybersecurity awareness
 - Automation and smart systems
 - E-learning innovation
 - Research on empowerment through tech
 - Entrepreneurship and tech development
-

TO WHOM IT MAY CONCERN

RE: HARRISON WEKESA WANJALA ID.NO:37197161

This is to confirm that the above mentioned person is a trainer at the Kitale National Polytechnic in the Department of Information Technology.

He teaches and supervises students in the following areas;

1. Information Communication Technology
2. Introduction to DOS & Windows
3. C++ Programming
4. Computer Application
5. Project

Other responsibilities include;

1. Member of Tender Opening Committee
2. Member of Evaluation Committee

Harrison is a hardworking, disciplined, committed, and knowledgeable trainer in his area of specialization and performed all tasks assigned to him to the best of our satisfaction.

We recommend him and wish him all the best.

Any assistance accorded to him will be highly appreciated.

Thank you.
